

WHAT GETS POSTED ON THE CITY-WIDE COMMUNITY CALENDAR OF EVENTS

We post a broad range of events of interest to the Jewish community. The events noted below support engagement with the broader Jewish community in Toronto and beyond. They are not directly sponsored by the DJC, nor do they necessarily reflect the position of the DJC. We recognize the diversity of interests and perspectives within the DJC community, and aspire to provide information reflective of that diversity. We understand that our perspectives on complex issues, particularly related to Israel/Palestine, will mean that not all events listed are consistent with everyone's viewpoint. If you feel there are events missing from this listing, please send them to us.

The DJC reserves the right to refuse postings that contravene our ***Vision Statement***.

OUR VISION

The Danforth Jewish Circle is a joyous and inclusive, accessible and inspiring Jewish community located in the heart of Riverdale.

Our members include singles and families of all ages who come from diverse Jewish backgrounds and cultural traditions, interfaith and intercultural families, and the full spectrum of sexual orientations and gender identities. Together we share a desire to learn, question, and foster a warm, welcoming and supportive Jewish community.

There are many doorways into the Danforth Jewish Circle. We join to connect ourselves to a vibrant community; to learn and grow; to share moving, musical, and meaningful rituals and lifecycle events; and to stand against injustice and seek ways to repair the world (*Tikkun Olam*).

We are an egalitarian, unaffiliated community that is part of a larger progressive Jewish movement. We share in the rich wisdom and inspiration of Jewish tradition and culture while seeking to challenge, explore, and reinterpret it. We are striving to revitalize our traditions and culture with moral courage, creativity, and generosity of spirit.
